Marvellous Manners

Our Marvellous Manners celebrate British values and our Edisford Characteristics for Success – Confidence, Resilience, Getting Along, Organisation and Persistence. Mrs Hamilton-Thorpe's Story of Week

Today in our weekly House Assembly, we listened to the Story of Kintsugi. Long ago, in Ancient Japan, there lived an emperor called Yoshisama who treasured a beautiful, earth-green bowl that had belonged to his mother. One day, a servant accidentally dropped it and it shattered into hundreds of pieces. Yoshisama was heartbroken and sent it away to be mended. When it returned, it had been repaired with large metal staples. It was weak, it leaked and, to Yoshisama, it looked awful. He felt that his treasured bowl had been ruined. A thoughtful servant suggested sending it to some expert craftsmen. They worked through the night and came up with an ingenious idea: they mixed special glue with golden dust and used it to join the broken pieces together. When Yoshisama saw the bowl again, his eyes widened in amazement. It wasn't the same bowl. It was different. But it was beautiful, with golden threads running through it. The story of Kintsugi reminds us that we all make mistakes and we all have moments when we feel broken. What matters is how we put things right, learn from what has happened and mend. Sometimes, we can become an even better version of ourselves.
