HEALTH AND SAFETY POLICY

Incorporating the local health and safety arrangements for:

- *Edisford Primary School*
- *Maintained School*
- *888/2391*
- *Edisford Road, Clitheroe, Lancashire BB7 2LN*

This policy sets out the school's statement of intent, responsibilities and arrangement for managing health and safety. It is based on the requirements of the Health and Safety at Work etc Act 1974, the Management of Health and Safety at Work Regulations 1999 and associated health and safety legislation. It should be read in conjunction with the Lancashire County Council's Health and Safety Management System which is held on the School's Portal.

*As a community or voluntary controlled school the county council is the employer and is accountable for health and safety duties. The governing body is responsible for the use of the premises. The headteacher is responsible for the day-to-day implementation and management of health, safety and welfare within the school. The county council, the governing body and the headteacher should work in partnership to meet these responsibilities.

The school will promote a positive and proportionate health and safety culture, led by the headteacher, governing body and senior leaders. As the person(s) with responsibility for the implementation and management of proper health and safety controls within the school, we will, as far as is reasonably practicable:

- provide adequate control of the health and safety risks arising from our work activities;
- provide and maintain safe plant and equipment;
- ensure all employees are competent to do their tasks and ensure the provision of adequate training;
- maintain safe and healthy working conditions;
- ensure safe handling and use of substances;
- review and revise this policy and local arrangements at least annually and sooner following significant changes.
- consult with employees on matters affecting their health and safety;
- provide information, instruction and supervision for employees;
- prevent accidents and cases of work-related ill health;
- comply with appropriate directions given by the county council on health and safety requirements;
- act in accordance with the relevant provisions in the "Scheme for Financing Schools in Lancashire" and the "School Teachers Pay and Conditions Document".

School's Commitment

To meet the requirements of this Policy Statement, the headteacher, governing body and/or their nominated representative(s) will:

a) ensure health and safety is recognised as part of the school's culture, values and performance standards;
b) draw up and implement appropriate health and safety procedures for the school;
c) share appropriate elements of these procedures with all employees, pupils, visitors and anyone else who may be affected by them;
d) arrange for risk assessments to be completed for all areas of work and review them on a regular basis;
e) as part of the risk assessment process, produce safe systems of work where necessary and arrange for their implementation including any appropriate training, resourcing, auditing and monitoring;
f) identify adequate resources for the implementation of the health and safety policy and arrangements within the school;
g) comply with appropriate directions given by the county council on health and safety requirements; and,
h) act in accordance with the relevant provisions in the Scheme for Financing Schools in Lancashire and the School Teachers Pay and Conditions Document.

The school will:

- make health and safety procedures and documentation available for inspection upon request
- regularly review its arrangements in respect of the applicable topics and activities listed in the table at the end of this Policy document.
